

Y.E.A.

# THE CONSPIRACY THICKENS

*This article was composed in 2004 when the presidential race was getting pretty hot and heavy. While faces are soon to change shortly, the situation continues according to plan.*

*By Jerry Healan*

The political race is heating up and there will soon be an election for the presidency of the United States. There are, of course, only two major political parties in the U. S., the Republicans and the Democrats.

It has been so interesting to listen to Rush Limbaugh, Sean Hannity and other conservative radio talk shows. The conservative Republican talk shows are very popular with many people, while any attempt to launch equal time for the liberal Democrats seems to fall flat on its face.

Of course, the liberals openly support so many things that are simply foreign to the moral human mind, such as, homosexuality, abortion, atheism, humanism, socialism, even many of the concepts of the Communist Manifesto.

What is interesting about these conservative talk shows is that they do espouse many Biblical principals and a great deal of morality, family, pro-life, sensible, responsible, smaller government, less government control, responsible spending, etc., which they seek to blend in with the Republican political concept.

This, of course, makes George Bush the president of their choice. And they do seem to complain greatly when George Bush signs bills which one would expect a Democratic president and congress to pass. President Bush has signed bills which will increase the power and size of government, the pouring of money into increased spending to the tune of multiple billions and even trillions and open suspension of Constitutional rights.

Rush Limbaugh, Sean Hannity and other conservative talk show hosts that I have listened to do seem to have a good handle on things, but they are all also quick to deny any conspiratorial discussion and they certainly will not allow any discussion which pertains to the Scriptures, its

Elohim, and principles. Why? Because even though they may profess belief in the Scriptures and Elohim, and they are highly intelligent, educated men, the problem is that they are truly Bible illiterates. They are on these radio programs to reveal themselves and their own intelligence. To discuss Biblical concepts, prophecies, etc. would take them out of their field of expertise and control of the programs would go to others who have placed their focus, faith and trust in those concepts.

Of course, to expose the conspiracy would also result in their being taken off the air waves and possibly even death.

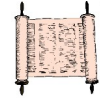

## THE NAKED CAPITALIST

Recently, I purchased a book entitled "*The Naked Capitalist*" written by W. Cleon Skousen. It is a review and commentary on Dr. Carroll Quigley's book "*Tragedy and Hope*." I have understood the nature and background of "the conspiracy" for quite some time primarily because I do study the Scriptures and understand that there is a "god" of this world who is called the "prince of the power of the air," and "the prince of this world." I have also read other books about this conspiracy, but most of those books are written in an anti-conspiratorial manner. Dr. Quigley's book is pro-conspiracy, and reveals the behind the scenes actions in a most favorable manner.

The whole thing is about the "international banker" and their ability to control politicians, governments and the destiny of the earth's populace. As a matter of fact, here is one of the quotes that I noted in this book, "In January, 1924, Reginald McKenna, who had been Chancellor of the Exchequer in 1915-1916, as chairman of the board of the Midland Bank told its stock-holders: 'I am afraid the ordinary citizen will not like to be told that the banks can, and

# Y.E.A.

do, create money....And they who control the credit of the nation direct the policy of Governments and hold in the hollow of their hands THE DESTINY OF THE PEOPLE'." (p. 13)

Since the Rothschilds are the founders and controllers of the modern day banking system, the author of the book is quick to point out that The Conspiracy is not a Jewish Conspiracy. The reason being that not only are the Rothschilds and other prominent Jewish people a big part of this conspiracy, but there are many non-Jews (Gentiles) who also are a big part of it.

But what does Scripture say? "And Yahweh said unto me, 'A conspiracy is found among the men of Judah, and among the inhabitants of Jerusalem. They are turned back to the iniquities of their forefathers, which refused to hear My words; and they went after other elohim to serve them: the house of Israel and the house of Judah have broken My covenant which I made with their fathers," Jer. 11:9-10.

Ezekiel is also compelled to declare, "Son of man, say unto her (the bloody city Jerusalem), 'Thou art the land that is not cleansed, nor rained upon in the day of indignation.' There is a conspiracy of her prophets in the midst thereof, like a roaring lion ravening the prey; they have devoured souls; they have taken treasure and precious things; they have made her many widows in the midst thereof. Her priests have violated My law, and have profaned Mine holy things: they have put no difference between the holy and profane, neither have they shewed difference between the unclean and the clean, and have hid their eyes from My sabbaths, and I am profaned among them," 22:23-26.

The beginning of the conspiracy was to cause Israel and Judah to turn to worship other elohim, then those in charge could direct their passions and desires into only fleshly, carnal avenues. Yahweh is righteous and His desire for His people is that they live righteous, moral lives for their own good. But the deities of the heathen and pagans were more human-like in their nature. They were sexually promiscuous. They sought to have sexual relations between gods and goddesses and also between gods and women and goddesses and men. Each god or goddess had their own special powers which they utilized against men and each other. They were all always seeking their own aggrandizement at the

expense of others.

Of course, the leaders of the peoples and the heads of the financial institutions will take on the nature of the gods they serve and soon degenerate to the same type of self-service, self-aggrandizement and even self-worship. Thus, the concepts of humanism, socialism and communism soon took over the nature of those at the top and is now being promoted throughout the world.

## THE SCHEME

This whole conspiracy had to be kept top secret, of course. Some of the excerpts from the book will help enlighten you to latter day historical events.

"The influence of financial capitalism and of the international bankers who created it was exercised both on business and on governments, but could have done neither if it had not been able to persuade both of these to accept two 'axioms' of its own ideology. Both of these were based on the assumption that politicians were too weak and too subject to temporary popular pressures to be trusted with control of the money system....To do this it was necessary to conceal, or even to mislead, both governments and people about the nature of money and its methods of operation." (*The Naked Capitalist*, p. 9)

"By the beginning of the Twentieth Century, the American economy had become so dynamic that the major banking dynasties found it increasingly difficult to maintain a tight control. Even the control they had so carefully kept secret was being challenged as a major political issue in national elections.

As we have previously noted, the dynastic 'banker families' in England had established their monopoly control over finance by setting up the Bank of England as a privately controlled institution which had the appearance of an official government institution. Similar centers of financial control had been set up in France, Germany, Italy and Switzerland. Many of these European banking families had intermarried or bought their way into the American banking dynasties so it was inevitable that eventually the same device for centralized control would be set up in the United States as that which had worked so well in various European countries. The formula called for a scheme which would

# Y.E.A.

look like the government was taking over when in reality, the control would be solidified in the same secret group which had always held it.” (*IBID*, p. 16)

“Senator Aldrick and Paul Warburg set up an extremely secretive meeting with representatives of the leading banking dynasties to prepare the first draft for the Federal Reserve System. They met on Jekyll Island, Georgia. Rockefeller’s agent, Frank Vanderlip admitted many years later: ‘Despite my views about the value to society of greater publicity for the affairs of corporations, there was an occasion, near the close of 1910, when I was as secretive—indeed as furtive—as any conspirator....I do not feel it is any exaggeration to speak of our secret expedition to Jekyll Island as the occasion of the actual conception of what eventually became the Federal Reserve System.’ (Frank Vanderlip, “Farm Boy to Financier,” *Saturday Evening Post*, February 9, 1935, p. 25)” (*IBID*, p. 17)

Notice the phrase, “as any conspirator!” The Bank of England and the Federal Reserve System are named as such in order to cause the public to believe that these institutions are controlled by the government, but the reality is that they are privately owned institutions.

The book continues, “This was right at the time (the Jekyll Island meeting) when the idea of creating a Federal central bank ‘free of Wall Street or any monopolistic interest’ was being promoted by the *Banking Law Journal* and a number of national political personalities. Therefore, the object of the conference on Jekyll Island was to set up a central bank which had the appearance of meeting this demand while actually thwarting it.” (*IBID*, p. 17)

Deception, deception, deception! One has to stand in amazement at the ability of those in control to accomplish their means through extremely deceptive means. But then, if we trust in and believe Yahweh’s word, then we do understand that there is a great deceptive spirit being who is behind it all, and these men are simply in tune with that spirit and are moving to do its (his) will.

## CONTROLLING THE WORLD

The book continues, “The operation of the Federal Reserve System is one of the most interesting

and mysterious combines in the country. Since it was founded in 1913 it has successfully resisted every attempt to conduct an audit of its affairs. The system consists of 12 ‘National Banks’ but the only one of any significance is the one in New York. The New York bank has always been managed by someone completely congenial to the interests of the international bankers. It is important to realize that the Federal Reserve System is not a bona fide Government agency. Technically the stock is owned by the 12 National Banks which receive a dividend of six percent each year. Any profits from the System are supposed to be turned over to the U. S. Treasury. In fact, the President appoints the seven members of the Federal Reserve Board for fourteen-year terms, but in spite of all this window dressing the Federal Reserve Board is completely independent in its decisions. President Johnson admitted this when the Federal Reserve defied him during his administration and when David Kennedy, the Nixon Secretary of the treasury, was asked about the credit-tightening policies of the Federal Reserve, he replied: ‘It’s not my job to approve or disapprove. It is the action of the Federal Reserve.’ (*U. S. News and World Report*, May 5, 1969)

The mammoth and secret operations of the Federal Reserve are therefore proceeding along the lines which Dr. Quigley says the international bankers were determined to achieve. They intended to use the financial power of Britain and the United States to force all the major countries to operate ‘through central banks free from all political control, with all questions of international finance to be settled by agreements by such central banks without interference from governments.’ (*Quigley*, p. 326), (*IBID*, p. 21-22)

Notice that, the plan is to work through central banks which are free from all political control. Such are the actions of the Bank of England and the Federal Reserve System. But an even greater system now in operation is the World Bank.

The book continues, “Dr. Quigley says the true dimensions of the whole scheme are better appreciated when it is realized that the far-reaching aim of the dynastic bankers was: ‘... nothing less than to create a world system of financial control in private hands able to dominate the POLITICAL SYSTEM of each country and the ECONOMY of the world as a whole. This system was to be controlled in a feudalist

# Y.E.A.

fashion by the central banks of the world acting in concert, by secret agreements arrived at in frequent private meetings and conferences.” (*IBID*, p. 22)

“Dr. Carroll Quigley was anxious to have us know who has been running the world. He makes it clear that in spite of their power, these secret centers of control are seldom in dictatorial positions where they can actually take direct, decisive political action; but their financial stranglehold on the world allows them to INFLUENCE and MANIPULATE the affairs of various nations to an amazing degree and to suit their own purposes. Therefore, whatever the purposes and goals of this group happen to be are of monumental importance to the rest of the world.” (*IBID*, p. 24)

Thus, the private bankers at the top are scheming to control and manipulate the world to suit their own purposes, goals and desires. Notice that it says that the banking system is a FEUDAL system. They are the masters and the people are the serfs. But it gets more interesting.

## DESCENT INTO SLAVERY

The author continues, “There is a growing volume of evidence that the highest centers of political and economic power have been forcing the entire human race toward a global, socialist, dictatorial-oriented society. And what has been most baffling about it has been the fact that this drift toward dictatorship with its inevitable obliteration of a thousand years of struggle toward human freedom, is being plotted, promoted and implemented by the leaders of free nations and the super-rich of those nations whose positions of affluence would seem to make them the foremost beneficiaries of the free-enterprise, property-oriented, open society in which so much progress has been made. Certainly they, above all men, should know that in order for this system to survive, freedom of action and the integrity of property rights must be preserved. Then why are the super-capitalists trying to destroy them?”

Dr. Quigley provides an answer to this question but it is so startling that at first it seems virtually inconceivable. It becomes rational only as his scattered references to it are collected and digested point by point. In a nutshell, Dr. Quigley has undertaken to expose what every insider like himself has known all along—that

the world hierarchy of the dynastic super-rich is out to take over the entire planet, doing it with Socialistic legislation where possible, but **having no reluctance to use Communist revolution where necessary.**” (*IBID*, p. 25)

Ahhhh! Now we are getting even closer to the truth of the matter. In Socialism and Communism the state owns and controls everything and whoever owns and controls the state, owns and controls everything and everyone. Socialism and Communism are extremely deceptive systems, because they are pawned off as being in favor of the common person, the worker or proletariat, while nothing could be further from the truth. Have you heard of the conditions and wages of those from the Communist bloc nations? The overall majority of these poor people are reduced to an income of less than \$100.00 per year.

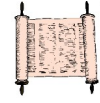

When one compares the advantages that the Western world has been able to enjoy with that of the Eastern Communist block of nations, we begin to realize that Communism has been a dismal failure. Many peoples of those countries have been risking their lives in order to cross heavily guarded borders and the vast expanse of oceans in order to enter the so called “free” world.

But look at what is taking place now. The industries of the United States, Western Europe and other nations that have been enjoying the pursuits of “free enterprise” are now being dismantled and shipped to the Communist block nations, specifically China. Why? Because the labor costs are practically non-existent. Who is doing this? Isn’t it the bankers who finance business?

The bankers actually become the true owners or masters of the companies because they are the ones who provide the monies for operation. Thus, it would be no difficult task to “twist” a company’s arms, by threatening to withdraw financial support unless they seek out a cheaper labor force. Ergo, the industries and companies that helped make our countries great are departing our coasts like a flood leaving so many, many jobless peoples behind. It is heartbreaking to see so many of these people being interviewed on the news. They had good paying jobs and were living the good life. But now they either find themselves hopelessly unemployed or grievously un-

# Y.E.A.

der-employed and are helpless to do anything about it.

Also, illegal aliens are flooding the borders in pursuit of jobs. Many of these people have to pay big money to others who have developed an underground network and system in order to be able to sneak them into the country. The question would be, where do these people, who are greatly impoverished in their own country, come up with the money to pay the high prices to get them here? Follow the money trail. It has to come from those who have the ability to control the flow of money.

What is the purpose to bring these illegals into the country? Some say to take jobs that American workers no longer will perform and that may be just the tip of the iceberg. These people will eventually take over jobs that have historically been good paying jobs for less pay, thus, bringing down the cost of labor.

The amazing thing is that the American taxpayer is being forced to provide social and medical services for these people which is, in effect, destroying our whole social system. We are even being forced to teach their children in their own languages rather than teaching them English, which increases the costs of the public school system bringing it also to the brink of disaster. This keeps them from embracing the American culture and from having any feeling of patriotism to this country. It keeps them tied to the culture of the country from when they came and patriotic to their former country's causes.

## PLATO'S SOCIETY

The book continues, "The ancient political philosophers knew that the most effective way to conquer a man is to capture his mind. There is no slave more devoted nor disciple more dedicated than the man who has become completely obsessed with the vision of what he considers to be a great idea. Dr. Quigley says this is what has happened to the leaders of the world's secret center of international banking. Its leaders became convinced that they had come upon a fantastically great idea: How to take over and control the resources of the world for the good of humanity." (*IBID*, pp. 25-26)

The author then introduces Plato's "ideal society" as one of the goals of these misguided souls,

and they certainly are greatly misguided. He writes, "The upper dimensions of Plato's 'ideal' society included the elimination of marriage and the family so that all women would belong to all the men and all the men would belong to all the women. Children resulting from these promiscuous unions would be taken over by the government as soon as they were weaned and raised anonymously by the state. Plato wanted women to be required to be equal with men—to fight wars with the men and perform labor like men. There was to be selective breeding of men and women under control of the government and children considered inferior or crippled were to be destroyed. There was to be a three-level structure of society into fixed classes: the ruling class, the military class and the worker class. Plato said the people would be induced to believe a government-indoctrinated falsehood that people were born with gold, silver or copper in their souls and the rulers would determine which metal was present in the soul of each person and assign him to the appropriate class. Plato admitted all this was a falsehood but said it would facilitate the administration of affairs by the rulers because it would be taught to the people as a religious principle. Plato reserved the full blessings of communism for his ruling class. It would be there that he felt private property could be eliminated, family relations communalized, and intellectual energy devoted to determining what was good for the masses in the lower classes." (*IBID*, pp. 27-28)

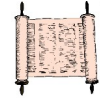

Take a good look at the world we are living in today! So many magazines and books are heralding the end of marriage as a viable institution and are furthermore even perverting those principles by encouraging "gay" unions. The increase of the homosexual community certainly goes a long way toward the elimination of marriage and the family, does it not?

But the increase of sexual promiscuity also sounds the alarm for the end of marriage. So many, many couples have decided against any kind of marital contract because they want to avoid the responsibility of marriage so that when the "feeling" is over, then they can pack their bags and depart without the expense of divorce.

Romania was certainly an example of a state which took the children away from the parents

# Y.E.A.

in order to rear them by the state. But we have found that those children being raised by the state were suffering from many serious mental disorders.

Then there are the scientists who are working feverishly to not only produce “test-tube” babies, but are also experimenting with genetically engineered specimen, which will also include human DNA, cells, bodies, body parts, etc. The old-time movie “Frankenstein” and another modern day version “Robocop” actually are sending messages that that which appears to be science fiction is now becoming modern-day reality. There are even experiments to attempt to incorporate human memory into computers.

There is the “abortion” program which seeks to destroy supposedly “unwanted” fetuses. This is just another concept of Plato being leap-frogged into the modern day era.

The Women’s Lib movement is also doing its job for Mr. Plato. In today’s world we see the struggle for women to become equal to men, to serve in the armed forces and to fight alongside the men. We already see them working alongside men in work that was at one time considered to be work for men only.

While the Western nations do have a class called the “middle” class, the tenets of socialism and communism are doing what they can to destroy this class. In actuality, the struggle that we see going on in the U. S. is a struggle that has been carried on between the classes of people that we would refer to as the “middle” class and the “low” class or impoverished. The super rich don’t actually fit into this struggle but are pitting the two classes against each other and are utilizing the taxes of the middle class in order to extend social programs to the poor. The super-rich work out of foundations and pay no taxes at all. The social programs are truly sapping the strength of those below the super-rich status. Eventually, the only classes that will remain will be the masters (the super-rich) and the serfs or slaves (the poor).

## THE DANGER OF TRUTH

This, of course, was all prophesied by Scripture and those at the top who are manipulating everything are revealed as to who they really are.

I should make a note to explain to you that I re-

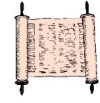

alize that it is dangerous to one’s person to reveal these secrets. Yahshua declared, “Behold, I send you forth as sheep in the midst of wolves: be ye therefore wise as serpents, and harmless as doves. But beware of men: for they will deliver you up to the councils, and they will scourge you in their synagogues; and ye shall be brought before governors and kings for My sake for a testimony against them and the Gentiles. But when they deliver you up, take no thought how or what ye shall speak: for it shall be given you in that same hour what ye shall speak. For it is not ye that speak, but the Spirit of your Father Which speaketh in you. And the brother shall deliver up the brother to death, and the father the child: and the children shall rise up against their parents, and cause them to be put to death. And ye shall be hated of all for My name’s sake: but he that endureth to the end shall be saved. But when they persecute you in this city, flee ye into another: for verily I say unto you, Ye shall not have gone over the cities of Israel, till the Son of man be come. The disciple is not above his master, nor the servant above his lord. It is enough for the disciple that he be as his master, and the servant as his lord. If they have called the master of the house Beelzebub, how much more shall they call them of his household? Fear them not therefore: for there is nothing covered, that shall not be revealed; and hid, that shall not be known. What I tell you in darkness, that speak ye in light: and what ye hear in the ear, that preach ye upon the housetops. And fear not them which kill the body, but are not able to kill the soul: but rather fear Him Which is able to destroy both soul and body in hell,” Mt. 10:16-28.

Sending sheep into the midst of wolves surely sounds the death knell for the sheep. However, Yahweh can and does protect His people until His purpose for them is finished. But one of the identifications of the Roman Empire was that of the wolf. Remember that Romulus and Remus, the supposed founders of Rome, were cast adrift in an ark by their mother. The twins were found and suckled by a she-wolf. The wolf became a most important symbol of the Roman Republic and later Empire.

Also remember that the Roman Empire, the fourth kingdom of Daniel chapters 2 and 7 was the ruling empire when Yahshua, the Shepherd of the sheep, appeared and was eventually slain.

# Y.E.A.

Didn't He say that His disciples are not greater than Himself? Thus, His sheep can expect the exact same treatment if they are fully dispensed to publish the pure unadulterated truth.

In both accounts of Daniel chapters 2 and 7, the fourth kingdom or empire was to continue until the end of the age and the return of Yahshua to establish the Kingdom of heaven on earth.

But who were the Romans and where are those who are ruling in today's world identified in the Scriptures?

According to the *Encyclopedia Judaica*, Rome was Esau, Edom, Amalek, Seir, and Tyre. While I may have a problem believing a great deal of what Rabbinic Judaism teaches, I am sure that they are "**right on**" when it comes to this identification. That's because of what I have been able to prove in Biblical prophecy.

As we read in *The Naked Capitalist* excerpts, the primary purpose of the conspirators is to gain control over all nations through the means of money, the control of wealth. Those at the top are the Rothschilds who are supposedly of Jewish lineage.

## THE PROTOCOLS

There is another publication which can be found with a little effort, but is generally quite suppressed and, when mentioned, brings on a tirade of anti-Semitic accusations along with charges that it is phony, but when compared to *The Naked Capitalist*, *The Communist Manifesto*, *Scripture*, etc., one finds the same spirit, the same intent and purposes. This publication is the *Protocols of the Learned Elders of Zion*.

Here are some excerpts from this publication:

"On the ruins of the natural and genealogical aristocracy of the *goyim* we have set up the aristocracy of our educated class headed by the aristocracy of money. The qualifications for this aristocracy we have established in wealth, which is dependent upon us, and in knowledge, for which our learned elders provide the motive force." (Protocol No. 1, p. 14)

**Note:** The natural aristocracy spoken of here is that of the kings and queens along with the Caesars/Kaisers/Czars of Europe, etc.

"In the hands of the States of today there is a

great force that creates the movement of thought in the people, and that is the Press. The part played by the Press is to keep pointing out requirements supposed to be indispensable, to give voice to the complaints of the people, to express and to create discontent. It is in the Press that the triumph of freedom of speech finds its incarnation. But the *goyim* States have not known how to make use of this force; and it has fallen into our hands. Through the Press we have gained the power to influence while remaining ourselves in the shade; thanks to the Press **we have got the gold in our hands**, notwithstanding that we have had to gather it out of oceans of blood and tears. But it has paid us, though **we have sacrificed many of our people**. Each victim on our side is worth in the sight of God a thousand *goyim*." (Protocol No. 2, p. 16 [emphases mine throughout])

"We shall create by all the secret subterranean methods open to us and **with the aid of gold**, which is all in our hands, a universal economic crisis whereby we shall throw upon the streets whole mobs of workers simultaneously in all the countries of Europe. These mobs will rush delightedly to shed the blood of those whom, in the simplicity of their ignorance, they have envied from their cradles, and whose property they will then be able to loot.

'Ours' they will not touch, because the moment of attack will be known to us and we shall take measures to protect our own." (Protocol No. 2, p. 19)

**Note:** Remember the "Great Depression?" Isn't it interesting that President Woodrow Wilson and the Congress were led to sell out the Constitutional right of the U. S. government to print its own money by establishing the privately owned Federal Reserve System in 1913, which was then followed by a great worldwide depression in 1929? President Franklin D. Roosevelt declared the U. S. to be insolvent and offered a New Deal which secretly sold the U. S., its land and people into slavery to the international Bankers. Under the "New Deal" extensive Federal SOCIAL programs were embarked upon.

But what about our day? It is the Press that fuels and fans the flames of racial hatred. Many of the riots that we have experienced here in the U.S. have been exacerbated and promoted by the Press as an experiment concerning their ability to control the beastly mobs. And that is what a

# Y.E.A.

mob that is out of control is, a wild beast.

“We shall soon begin to establish huge monopolies, reservoirs of colossal riches, upon which even large fortunes of the *goyim* will depend to such an extent that they will go to the bottom together with the credit of the States on the day after the political smash...It is essential therefore for us at whatever cost to deprive them of their land. **This object will be best attained by increasing the burdens upon landed property—in loading lands with debts.** (*Note: And what about taxes?*) These measures will check land-holding and keep it in a state of humble and unconditional submission.

What we want is that industry should drain off from the land both labour and capital and by means of speculation **transfer into our hands all the money of the world**, and thereby throw all the *goyim* into the ranks of the proletariat. Then the *goyim* will bow down to us, if for no other reason but to get the right to exist.

To complete the ruin of the industry of the *goyim* we shall bring to the assistance of speculation the luxury which we have developed among the *goyim*, that greedy demand for luxury which is swallowing up everything. **We shall raise the rate of wages which, however, will not bring any advantage to the workers, for, at the same time, we shall produce a rise in prices of the first necessities of life**, alleging that it arises from the decline of agriculture and cattle-breeding: we shall further undermine artfully and deeply sources of production, by accustoming the workers to anarchy and to drunkenness and side by side therewith taking all measure to extirpate from the face of the earth all the educated forces of the GOIYM.

In order that the true meaning of things may not strike the GOYIM before the proper time we shall mask it under an alleged ardent desire to serve the working classes and great principles of political economy about which our economic theories are carrying on an energetic propaganda.” (Protocol No. 6, pp. 24-25)

NOTE: Have you noticed the opportunities offered to everyone to have credit cards, financial loans at the banks for homes, land, automobiles and whatever else people can come up with to borrow money. Could this be the big push spoken of here in this protocol to greatly increase the debt? Not only is our own government borrowing to the tune of trillions dollars, but the

private sector is also in debt in the trillions of dollars.

“We shall surround our government with a whole world of economists. That is the reason why economic sciences from the principal subject of the teaching given to the Jews. Around us again will be a whole constellation of bankers, industrialists, capitalists and—the main thing—millionaires, because in substance everything will be settled by the question of figures.” (Protocol No. 8, p. 26)

“Nowadays, if any States raise a protest against us it is only pro forma at our discretion and by our direction, for their anti-Semitism is indispensable to us for the management of our lesser brethren.

The people have raised a howl about the necessity of settling the question of Socialism by way of an international agreement. Division into fractional parties has given them into our hands, for, **in order to carry on a contested struggle one must have money, and the money is all in our hands.**

We have fooled, bemused and corrupted the youth of the *goyim* by rearing them in principles and theories which are known to us to be false although it is by us that they have been inculcated. (Protocol No. 9, pp. 28-29)

These protocols also say that they have arranged to utilize Darwinism, Marxism, Nietzsche-ism, anarchism, socialism, communism, Freemasonry, etc. in order to achieve their means.

## BIBLICAL IDENTIFICATIONS

While we have already Biblically identified the origins of the conspiracy with Judah, the fact of the matter is that another element was incorporated into Judaism which must be identified and that element is the lineage of Esau, the twin brother of Jacob.

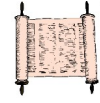

Esau’s firstborn son was named Eliphaz. Eliphaz means “My El is gold,” or “Gold is my El.” Remember what the purpose of the Protocols is? Isn’t it to acquire the gold and therefore the control of money?

Eliphaz had a concubine named Timna (the daughter of Seir the Horite). Timna means “restraint.” It comes from another Hebrew word “mana” which means, “to debar from benefit.” It is generally translated in to the English as,

# Y.E.A.

“deny, keep back, refrain, withhold.”

According to *Webster's New World Dictionary*, to debar means to keep from some right or privilege, exclude, bar, to prevent, hinder, or prohibit. Timna was the mother of Amalek. Amalek feared not Elohim (Dt. 25:18). Today's atheistic world exhibits the spirit of Amalek. This means that atheistic communism is a tool of Amalek who is the grandson of Esau. Esau's name was called Edom because of the “RED” food that Jacob fed to him. The Communists love to be called the REDS (EDOM). Communism and socialism are tools that are admittedly being utilized by the super rich in today's world.

Timna's father was Seir the Horite. Seir means shaggy, a he-goat, faun, devil or satyr. Horite means “cave-dweller.”

The Seirites or Horites were the ones who originally inhabited Petra, a place in modern day Jordan which was made up of caves carved out of rock. Esau intermarried with the Horites or Seirites and Yahweh eventually declared that Seir was the inheritance of Esau (Josh. 24:4).

Interestingly, the Roman general Pompey was sent to deal with the Cilician pirates as well as the Nabateans of Petra in the first century BCE. These people were worshippers of Mithras whose weekly holy day was Sunday and whose birthday was Dec. 25th. (*Encyclopedia Britannica*, 14th Edition, Vol. 15, pp. 621-623) Pompey introduced Mithraism into the Roman Empire and the rest is history. The modern day world has been deceived to think that when it observes Sunday and Christmas that it is doing so in honor of the Messiah, but is only giving honor to the false pagan deity of the Edomites. (Order our free tract entitled “*Just Who Was It That Sanctioned Sunday Worship?*”)

## THE SPIRIT OF ESAU

Esau is identified as a fornicator and profane person who sold his birthright in Heb. 12:16. The word “fornicator” comes from the Greek word “pornos” meaning to be “immoral”, a male prostitute (as venal), a libertine, or debauchee.

The word “profane” means “heathenish”, wicked. The heathen worshipped many different gods. The great false churches of this world exhibit the spirit of Esau in profaning their birthright

by corrupting the truth of the Messiah with the idolatrous and heathenistic pagan influences. They have become fornicators, adulterers and harlots (See Rev. 17:1-6, 18:1-8)

E. Raymond Capt writes about Esau's amalgamation into Judah, “The complete subjection of the Edomites came about when John Hyrcanus (135-105 B.C.) crushed all Edomite resistance and forced them to integrate into not only the new ‘Jewish’ (originally meaning remnant of Judah) state but also into the Jewish religion. Josephus records the assimilation of the Edomites into the Judean nation: ‘Hyrcanus took also Dora and Marissa, cities of Idumea, and subdued all the Idumeans; and...they submitted to the use of circumcision, and the rest of the Jewish ways of living; at which time therefore this befell them that they were hereafter no other than Jews.’ (Book XIII, ch. IX, Sec. 1) From that day forward, the name ‘Jew’ could mean either an Israelite Judean or a non-racial Israelite; a fact that has caused so much misunderstanding of Bible prophecy. Thus, this confusion started about 125 years before the birth of [the Messiah] and has continued to this day.

Although the merger of the Edomites into the Israelite nation was the end of the Edomites as a distinct people in Palestine their influence was to continue to plague the Judeans and eventually bring about the downfall of the house of Judah. The new Idumean ‘converts’, now a legalized part of the Jewish nation, began to seize power by any means at their disposal. The House of Hyrcanus itself, was finally deposed by the Idumean councilor Antipater who called in the help of the Nabataeans. The Idumeans remained in power in Hebrew life throughout the time of [the Messiah].

It was an Idumean, Herod I, who upon gaining authority, ordered the extermination of the Hasmonaean priestly line from which Josephus, himself, claimed descent. This same Herod ordered the massacre of the infants when [Yahshua the Messiah] was born. Herod (the Tetrarch) son of herod I and a Samaritan wife, (being half Idumean and half Samaritan) was perhaps without a single drop of Israelitish blood in his veins. He was responsible for the murder of John the Baptist.

It should be pointed out that the Idumeans (Esau-Edomites) were unwilling converts to Judaism, and their conversion was never genuine.

# Y. E. A.

Whenever the opportunity presented itself, **they either speedily cast off a faith for which they had only a natural antipathy or deformed it and substantially contributed to the rise of a false Judaism.** It is perhaps only logical that as descendants of Esau they should resent the loss to Israel of what once appeared to be his birthright and should aspire dominion for themselves. Their own dominion could only be held at the expense of the religion of Israel." (*Petra*, pp. 26-27)

Esau is the one who goes to great lengths to pervert and corrupt not only his own birthright, but the birthright of Israel which was purchased from him. Esau and his descendants continually seek to regain the birthright, but no matter how successful his descendants appear today, they will eventually fail.

Balaam prophesied, "And when he looked on Amalek, he took up his parable, and said, 'Amalek was the first of the nations: but his latter end shall be that he perish for ever,'" Num. 24:20.

## THE CONCLUSION

Yes, there is a conspiracy. Even our own peoples and especially our politicians are a part of that wicked conspiracy. No matter who ends up as the President or leader of any other nation, he will only be a puppet for the shadow conspiratorial government.

Yahweh has prophesied what will happen before it comes to pass. While the world marches blindly on to the tune of the pied pipers who promise them everything on the one hand while they are taking it away with the other, Yahweh's people

can look into and believe and trust what He has declared from the beginning. Yahweh's people can be forewarned and forearmed with His word of truth so that they won't fall for such error. As the Scriptures say, "It is better to trust in Yahweh than to put confidence in man. It is better to trust in Yahweh than to put confidence in princes," Psa. 118:8-9.

Jeremiah was inspired to write, "Thus saith Yahweh; 'Cursed be the man that trusteth in man, and maketh flesh his arm, and whose heart departeth from Yahweh....Blessed is the man that trusteth in Yahweh, and whose hope Yahweh is,'" 17:5, 7.

If our peoples would only take up their Bibles and read them and trust in Yahweh's word, rather than hanging on every word that the politicians promise, then they would understand. But our peoples have been encouraged to disbelieve the Scriptures and to trust in lies. They have cast the Scriptures aside as only being superstition. Unless they repent, the curse will soon be upon us.

The only hope is in Yahweh, Yahshua and their kingdom that they will set up at the end of days. May that day come soon.
